

	STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES		POLICY AND PROCEDURE NUMBER 07.08.010	PAGE 1 of 1
	Policy and Procedure		EFFECTIVE DATE February 4, 1994	
SUBJECT Administration and Accommodation of Utilities		SUPERSEDES		DATED
TITLE Maintenance and Operations	CHAPTER Utilities	APPROVED BY <p style="text-align: center;">Signature on File</p>		

PURPOSE

To establish the Departmental policy for the administration and accommodation of utilities on Department rights-of-way and lands.

POLICY

The Utilities Manual, issued by the Engineering & Operations Division, is adopted by the Department as its policy in administering AS 02.15.102 *Use of Airports for Utilities*, AS 02.15.104 *Relocation of Utility Facilities Incident to Airport Projects*, AS 19.25.010 *Use of Rights-of-Way for Utilities*, AS 19.25.020 *Relocation of Utilities Incident to Highway Projects*, AS 35.10.210 *Use of Public Facilities for Utilities*, AS 35.10.220 *Relocation of Utility Facilities Incident to Public Facility Projects*, and 17 AAC 15 *Utility and Railroad Permits*.

The Utilities Manual shall include procedures necessary for issuing utility permits for facilities within Department rights-of-way and lands and the timely relocation of utilities in conjunction with Department construction projects. Each employee of the Department involved in these activities must adhere to this Policy and assist in providing a uniform application of the procedures.

AUTHORITY

AS 02.15.102; AS 02.15.104; AS 19.25.010; AS 19.25.020; AS 35.10.210; AS 35.10.220; 17 AAC 15

IMPLEMENTATION RESPONSIBILITY

Director, Engineering & Operations; Regional/System Directors
