

	STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES		POLICY AND PROCEDURE NUMBER 01.03.040	PAGE 1 of 1
	Policy and Procedure		EFFECTIVE DATE April 3, 2006	
SUBJECT Public Involvement and Agency Coordination		SUPERSEDES 10-2002	DATED July 15, 1985	
TITLE Office of the Commissioner	CHAPTER Interagency/ Intra- agency Actions	APPROVED BY <p style="text-align: center;">Signature on File</p>		

PURPOSE

This formalizes the policy and procedure (P&P) of the department on public involvement and agency coordination during the planning, project development, construction, and maintenance and operation of transportation facilities and buildings.

POLICY

Public involvement and agency coordination will be included during the planning, project development, construction, and maintenance and operation of transportation facilities and buildings.

PROCEDURE

The procedure is found in chapter 5, "Public Involvement and Agency Coordination," of the *Alaska Highway Preconstruction Manual*. Chapter 5 is hereby incorporated into this P&P by reference. The most recent revision of chapter 5 will be used. The *Alaska Highway Preconstruction Manual* is maintained by the Division of Statewide Design and Engineering Services (SDES), Design and Construction Standards Section and is available on the SDES internal website.

AUTHORITY

AS 44.17.030

IMPLEMENTATION RESPONSIBILITY

Headquarters and regional directors, system directors, and system managers

DISTRIBUTION

All employees via the DOT&PF website
