	Policy and Procedure		EFFECTIVE DATE December 15, 1993	
SUBJECT Use of Recycled Products		SUPERSEDES		DATED
TITLE State Equipment Fleet	CHAPTER SEF Procurement	APPROVED BY Signature on File		

PURPOSE

To establish a policy which promotes the use of recycled products in the use, care, operation, and maintenance of the Statewide Equipment Fleet (SEF).

POLICY

It is the policy of the SEF to make use of recycled products where practicable in the use, care, operation, and maintenance of state owned vehicles and equipment.

Recycled products will be used where the application is practicable, is reasonably cost effective, and does not interfere with Original Equipment Manufacturer (OEM) recommendations or warranty provisions, and where doing so will not have a negative impact on vital field operations.

Types of recycled products include:

- Retreaded tires
- Rebuilt components and parts
- Reclaimed motor oils and lubricants
- Reclaimed antifreeze

IMPLEMENTATION RESPONSIBILITY

Director, Administrative Services; Statewide Equipment Fleet Manager; Regional SEF Managers and Superintendents.
