GENERAL NOTES:
1. Install inlet boxes parallel to the curb line.
2. The plans will indicate which inlet boxes require a sump.
3. Shape floors to drain.
4. Use Grade 40 minimum reinforcing steel.
5. The plans will indicate which inlet boxes require sumps.

STATE OF ALASKA DOT&PF
ALASKA STANDARD PLAN
TYPE "A" INLET BOX

This page contains diagrams of "Type A" concrete inlet boxes, including details on reinforced and precast versions. The diagrams illustrate the dimensions and construction details necessary for installing these inlet boxes.
