

April 6, 2009

Dear Industry Representative,

The American Association of State Highway and Transportation Officials would like to invite you, or your organization, to become a sponsor and attend the 2009 Subcommittee on Materials Meeting. The meeting will be held at the Captain Cook Hotel, in beautiful Anchorage, Alaska over the dates of August 2<sup>nd</sup> – 8<sup>th</sup>.

The meeting brings together materials engineers and managers from state departments of transportation across the country, Canada, as well as Federal Highway Administration and invited guests for technical and policy making discussions. Approximately 160 persons are expected to attend this year's meeting.

A list of sponsorship opportunities for the meeting is attached. If your organization joins us as a sponsor at the annual Subcommittee on Materials meeting, you will receive recognition throughout the week, including recognition at the opening general session and signage during the event. Also, there will be a table set up where sponsors can set out company brochures and literature. Certain levels of sponsorship are accompanied by complimentary registrations. The deadline for sponsorship is July 18, 2009. AASHTO values your participation.

A preliminary meeting agenda and registration information can be found by visiting the meeting web site at [www.transportation.org](http://www.transportation.org).

John Horsley  
Executive Director
